

TEN SIGNIFICANT REASONS WHY IS THERE SO MUCH BAD MANAGEMENT ***

Candidates selected as managers have:

- 1 Inadequate inherent peoples skills regarding staff motivation, ...handling conflict,etc
- 2 Insufficient previous experience of dealing with diverse company ...situations
- 3 Lack of minimum knowledge of management processes like organising,planning,controlling
- 4 Inability to adjust their behaviour to meet specific needs of a situation with the staff at their disposal
- 5 Lack balance between essentials such as reflection & execution
- 6 Poor allocation of time & effort related to issues which are more important
- 7 Lack realism on new ventures in terms offeasibility,resources,returns
- 8 Weaknesses in performing key actions like delegation,decisionmaking
- 9 Inability to effectively assess what to keep and what needs tochange
- 10 Tendency not to constantly practice management techniques but to return to hasty,subjective actions .
